2. SCHEDULED SERVICING

2.1 With the Brand Promotion Easy Care Servicing, FCA will cover the cost of parts, lubricants and labour required for Scheduled Servicing only up to the maximum time and mileage as identified in the plan code on the cover sheet, e.g.: Plan Code 327 = 3 years or 27,000 miles whichever is soonest (includes a maximum of 3 services only).

For all vehicles, this will include all oil and filter changes required within the time and mileage limits of each Plan. On diesel versions these will be indicated by the indicator dashboard light and could be required outside of the Service Schedule.

2.2 The Brand Promotion Easy Care Servicing will include all services provided that:

- a) Customer has the Vehicle serviced within the time and mileage limits of the plan. The Customer acknowledges that having the Vehicle maintained outside the limits of the identified Plan or not maintained at all could affect the warranty coverage for the Vehicle in relation to some serviceable items, for example but not exhaustive: engine, gearbox, drivetrain, brakes, suspension. FCA may however, in its discretion, allow a tolerance of +/- 2,000 miles or +/- 2 months so that the Customer can have the Vehicle maintained (i) no earlier than 2,000 miles or 2 months ahead of the maximum time and mileage limits for the Plan or (ii) no later than 2,000 miles or 2 months after the maximum time and end mileage limits of the Plan; and
- b) The Brand Promotion Easy Care Servicing shall not apply if the tolerances in paragraph a) above are exceeded.

2.3 Scheduled Servicing of a Vehicle under the Brand Promotion Easy Care Servicing must be carried out by a retailer or workshop within the Service Network.

2.4 Brand Promotion Easy Care Servicing does not include any additional items which are not part of Scheduled Servicing including, but not limited to:

- a) Topping up of screen washer fluid and lubricants between two Scheduled Servicing operations;
- b) Any additional maintenance operations or lubricant change;
- c) Replacement or restoring of parts subject to wear such as gaskets, clutch, tyres, bulbs, wiper blades, brake discs and pads, batteries, shock absorbers, exhaust tailpipes and accessory belts. (Please refer to the owner's handbook for full details or wear and tear items); and
- d) Any diagnostics required as a result of additional faults reported at the time of Scheduled Servicing.

2.5 If the Customer decides to proceed with additional items not included with the Scheduled Servicing, the costs must be paid for separately by the Customer.

2.6 The Scheduled Servicing may be carried out within the Service Network anywhere in the European Economic Area.

2.7 The Customer is required to present the service book at the time the servicing is performed in order to obtain the benefit of the Brand Promotion Easy Care Servicing.

3. EXCLUSIONS

3.1 The Customer will not be entitled to the benefits of Brand Promotion Easy Care Servicing if:

- a) The Vehicle is modified, damaged or used in competitive events or rallies;
- b) The Vehicle's odometer is tampered with or reset without the consent of the manufacturer; or
- c) The Customer fails to take reasonable care of the Vehicle or fails to present the Vehicle for servicing to be carried out within the time-frame stated in the owner's handbook.
