A TOUCHABLE FUTURE

Electrically adjustable heated door mirrors with chrome covers

The future is at your fingertips more and more with the latest special edition of an icon that goes the distance. The Fiat 500 has arrived to give you all the pleasure of driving a Fiat 500 with the latest technology. Driving will be just as fun and easy as using

your smartphone: with the modern Apple CarPlay* for iPhone and Android Auto™** for all other compatible devices. Every journey will be the perfect opportunity to keep in touch with your friends, optimising all your technology at its best.

Mirror special edition badge

All of the Fiat 500 Mirror's technology travels with you, wherever. It's possible to access the main applications of smartphones directly on the 7" HD touch screen of the Uconnect system integrated on the central console. Apple CarPlay* enables iPhone users to access Apple Maps, Apple Music, messages, phone and more with Siri or the Uconnect™ touchscreen. The Android Auto™** integration allows you to manage the compatible content and features on the device directly from the driving seat. It'll feel just like using your smartphone, set to all your preferences. The best part is you can do it all sitting comfortably at the wheel of your new Fiat 500 Mirror, safely and without distraction thanks to the system's vocal commands.

* Apple CarPlay is a trademark of Apple Inc. Use of the Apple CarPlay logo means that a vehicle user interface meets Apple performance standards. Apple is not responsible for the operation of this vehicle or its compliance with safety and regulatory standards. Please note that the use of this product with iPhone, iPod, or iPad may affect wireless performance.
