# FURTHER INFORMATION

**On The Road charges (OTR) include:**

- 12 Months Government Vehicle Excise duty depending on CO2 emissions, vehicle first registration fee (£55), number plate (£26) and delivery costs (£800).

**The Government have made the following changes to VED:**

- Cars registered on or after April 1st 2025 will pay a one-off tax charge for the first year (included in OTR price), with rates decided by the CO2 emissions of the vehicle. Vehicles priced over £40,000 will also be subject to the "Expensive Vehicle Supplement."
- From the second year onwards, the CO2 scale becomes irrelevant, a flat annual rate will then be applied of £195 for all cars.
